

IMPORTANT UNIFORM INFORMATION FOR YEARS 7, 8 and 9

Senior School Uniform:

- The new uniform is optional for Thomas's pupils moving into Years 7 and 8 this coming September 2021 if their existing uniform still fits.
- The new uniform is compulsory for all Year 9 pupils starting in September 2021.
- We do expect that Year 7 and 8 pupils will be wearing the senior school uniform from September 2022, but it is not compulsory until September 2023.
- Wearing items from the new and the old uniform together is not permitted.

Senior School Games Kit:

- The new games uniform and navy sports bag are compulsory for new pupils joining the school in Years 7, 8 & 9 from September 2021.
- Wearing the new games kit is compulsory in Year 7.
- Parents of Year 8 pupils are strongly encouraged to buy the new games kit, but if this presents a real problem, then pupils may wear, at a minimum, the new reversible games top with other items from the Prep school games kit such as shorts, skirt etc.
- If the red Prep school sports bag is in good condition it can continue to be used until September 2023.

Additional Senior School Uniform and Games Kit Information:

- The new senior skirt can be worn with navy ankle socks on warm days and navy tights on cold days.
- Shoes must be black leather/synthetic leather polishable shoes in a traditional 'school shoe' style (no open toes, heels, trainers, hybrid versions, boots or canvas)
- Hair accessories must be navy blue or a neutral colour.
- You may continue to use the navy school bag to transport all books and stationery etc. Otherwise, please purchase a rucksack of your choice, though it must be suitably padded.
- You may purchase either the tracksuit trousers or the training pants or both. This is a decision based on personal preference and the style your child prefers. The training pants are more fitted and trendy. The tracksuit trousers are of a more classic style and very comfortable. It is your choice.
- Please order both the mid layer and the training top. The mid layer provides warmth on cooler days whilst the training top is showerproof and windproof.
- Trainers can be any colour.
- Please purchase a coat of your choice.
