IMPORTANT UNIFORM NOTICE

Assuming schools return as normal for all Year Groups in September, we would like to encourage parents to think about purchasing their childrens uniform before the end of June. As you can imagine, there has been some disruption to the supply chains so Perry would like to encourage parents to purchase their items this month. This will help them to deliver what you need before the start of term on Monday 7th September.

While Perry can supply woven name tapes, please can I remind you that the name tape sewing service is currently suspended whilst Perry continue to safely phase their staff back to work.

Ordering now will allow you the opportunity to exchange any items that are too big or too small. Please try on new items when you receive them and again by mid August, and if they are not a suitable fit Perry will be able to exchange them. Please only name items when you are sure that they fit.

In light of social distancing, for the time being Perry is operating as an online service only. Attending an appointment to order uniform and sports kit is not essential. Perry's website provides lots of advice and easy to follow videos to assist parents in measuring their children and placing orders. Should a parent require any further assistance they need to email info@perryuniform.co.uk and Perry will be happy to answer any questions.
