

# Clapham Reunion Breakfast

May 2023

On 10th May, Thomas's Clapham held its very first Alumni event and it was brilliant! We loved seeing former parents and pupils, some of whom I had taught over 20 years ago and, to make me feel even older, some of the past pupils brought their own children with them! It was a terrific opportunity to reconnect, to catch up on so much news and to find out how Thomas's Clapham and the friendships they made all those years ago, are still having a profound effect and important influence on their lives today. We are really looking forward to hosting more events so do please spread the word amongst your Thomas's contacts and encourage them to sign up: [alumni@thomas-s.co.uk](mailto:alumni@thomas-s.co.uk)

# Alumni reunion highlights

“

Thank you so much for this morning's tour and talk. It was absolutely fabulous to return to Thomas's Clapham and to experience once again, the Thomas's special atmosphere.”

(former parent from 2000-2007)

“

This morning was a strong reminder of how brilliant the school is. Yet again I was so impressed by all of the facilities, the enthusiastic staff and most importantly, the bright, confident, happy children!”

(former parent 1995-2004)

“

It was lovely to FaceTime Alex in the States afterwards and share news of my morning with her. She still remembers you and Thomas's very fondly!”

(former parent from 2000-2007)

“

Oh my goodness, it was so wonderful to come back and visit this morning. I was transported straight back to such happy and fulfilling days at Prep School! So much has changed and yet it feels and even smells just like the school I remember so fondly. Please arrange some more alumni events; I will be the first to sign up!”

(former pupil from 1995 to 2001)
