

Fulham Class of 2015 Reunion Drinks

June 2023

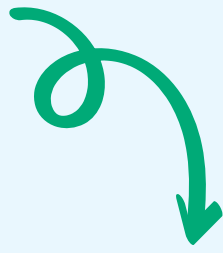

On Tuesday 27th June, 2023, Thomas's Fulham held its first alumni reunion, a summer drinks party in our playground marquee. As we are still looking to grow our Alumni database we thought it would be wise to use our 2022/23 Gappies: Charlie Edwards, Maddie Perry - Smith, Francesca Elliot, Bay Whittingham, Ceara Bastin, Harriet Boucher, Tom Seddon and Harry Norman to network and drum up support for the evening. They did a sterling job and we were joined by 26 pupils from the 2015 leavers cohort and 26 of their parents. There was a welcome address by Annette Dobson and Paul Wild and we were grateful to be joined by Founding Principals, David and Joanna Thomas. It was a very enjoyable evening and a real delight for current staff to hear news of what the pupils had been up to in the interim. To say there were a broad range of experiences and passions being pursued, would be an understatement. Many of the pupils expressed thanks at being reconnected with their old friends ahead of beginning their university and working careers, a highlight being two of the boys realising they would both be starting at Exeter University in September, having not seen each other since 2011. It became evident there is huge demand for alumni events, with many parents asking when the next event would be and what they could do to help spread the word. Watch this space...
